CAMP HISTORY

“ OCEAN VIEW’S A RESORT USE ALONE CAMPSIT

SUPPORTING YOUR SUCCESS
WITH CIJ ENGLISH CAMP

CIJ English Camp is located in Liloan City, a quiet and safe suburb of Cebu City. The campus looks and feels like a resort: you can see the ocean horizon right in front of the campus. The campus grounds are beautifully landscaped, with palm trees and various tropical plants combined with a wide, lush lawn. The campus doesn't feel like a school – it feels like you're on vacation!

There are two clean and spacious swimming pools in the campsite. A professional swimming pool manager disinfects and monitors them every day, so they are always fresh and clean. To ensure safety and prevent accidents, a Korean teacher acts as a lifeguard, ensuring that students are safe and behave properly in the pools.

The campus has specialized lecture rooms for each teacher, so that students can concentrate on classes in a pleasant environment. When needed, CIJ School provides students with high-concentration classes in specific areas of English. These classes are taught by teachers who specialize in those specific areas of English. To promote rapid learning, we have also created a strict "Only English Zone" in classrooms, where students are only allowed to use English.

The spacious and clean Dining offers not only quality meals
Also **snacks 3 times a day during weekday.**
to Junior students.

In addition to regular meals, CIJ offers an optional snack program, where students are given a variety of healthy snacks, including tropical fruit. These are provided everyday in the evening.

On every activity day (Saturday), after activities, students are taken out to eat a variety of foods such as Chinese food and Western food. These foods are difficult to prepare at camp, so going out adds variety and enjoyment to students' lives.

✓ **There is an additional \$100(per 4weeks) for snacks.**
